

Commercial Offer

Lager Brewing Barley Malt

Crop year 2014

JSC "Belsolod" is the largest enterprise for the production of lager brewing barley malt in Eastern Europe. Our malt-house is equipped with advanced facilities of BÜHLER company (Switzerland). Production capacities allow us to produce 130,000 metric tons of malt. The production is certified in accordance with ISO and HACCP. JSC "Belsolod" uses only the finest European malting barley varieties (R2P).
