RETRAINING PROGRAMS

The Academy of Postgraduate Education provides retraining programs for managers and specialists with a higher education degree as a priority area in adult education.

After completion of retraining courses on one of the chosen specialties, graduates are assigned a new qualification and awarded a retraining course diploma which is equated to a higher education.

Admission to the retraining courses is carried out on the basis of individual applications, on a fee basis.

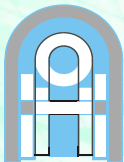

Every year, more than 400 teachers receive education through retraining programs provided by the Academy.
